For the attention of the Managing Director and Quality Manager.

Dear Sir or Madam,

Scope:

- All suppliers in receipt of purchase order(s) from Rolls-Royce Marine (Submarines).

Background:

- To improve the efficiency and effectiveness of communications with our supply chain, Rolls-Royce Marine (Submarines) are implementing the Rolls-Royce Notice to Suppliers (NTS) process.
- Notices to Suppliers (NTS) is the process by which Rolls-Royce formally communicates information quickly to the global supply chain network(s). This frequently covers a diverse range of topics and where appropriate some of the content may ultimately be incorporated into the Suppliers Quality System. Rolls-Royce Marine (Submarines) will utilise the NTS process as a means to communicate specific items of interest to our supply chains.
- To access information about the NTS process, please go to www.suppliermanager-online.com

Action Required:

- Cascade the contents of this NTS within your company / personnel.
- It is a requirement that your company reviews www.suppliermanager-online.com on a regular basis (two weeks is recommended) to ensure your company is up to date with all applicable Rolls-Royce communications.
- Any questions pertaining to this NTS should be directed to the undersigned at david.grainger@Rolls-Royce.com

Rolls-Royce Marine (Submarines): Adoption of the NTS Process.

Yours faithfully,
for Rolls-Royce plc.
